Real Estate and Construction Update

Summer is right around the corner and we're definitely starting to feel it. Traffic has been a little better lately it seems but still a lot of people visiting (and moving to) St. George. There's something happening in just about every part of the county and it's so exciting to see. Check out what's new down below, and if you need a title company to help with the purchase, sale, or refinance of real estate, or have any questions regarding anything real estate related, I'm always happy to help! Thanks for following along.

P.S. Check out my YouTube channel for video updates with drone footage of everything happening in Southern Utah. Here is the link to my channel <https://www.youtube.com/channel/UCpk2NqOv2V3-3y4-NCZSOhw>

DEVELOPMENTS IN PROGRESS OR OPENED THIS YEAR

These are all developments that are in progress or have opened recently

St. George area

Exit 2 (Desert Color):

Desert Color- Things are moving quickly off exit 2 in Desert Color! Homes of all kinds are under construction and the Welcome Center is finished and open for use, along with the first lagoon! It features the 2.5 acre lagoon, a 3500 sq ft pool, sunbathing deck, restaurant/cafeteria, and a sports bar. Also, the commercial part is officially listed and there's over 200 acres available! For more info check out <https://desertcolor.com/> or my video with drone footage <https://youtu.be/CP5Oo8uAKzM>

Big Shots Golf- a "Top Golf" like entertainment center is in the works and construction is underway! For more info check out their website <https://www.bigshotsgolf.com/>

Freedom Prep Academy- big news for Desert Color! This new school is in the works and it will be ready to go for fall of 2021. This will be HUGE for this development!! Check out their website for more info <https://freedomprep.net/>

Paparazzi HQ- They are building a 100,000 sq. ft. warehouse to expand their operation off exit 2. They poured the concrete all in one night and it was the biggest single pour of concrete in the history of Utah! Paparazzi has become a huge part of Southern Utah and this will add to their impact.

Desert Corner at Desert Canyon- Exciting news for people that live in the Desert Canyons development out by the airport. The first commercial spot is starting to happen at the entrance of the neighborhood, just off the freeway exit. It is a building similar to those at Desert Hills Plaza and are looking to fill it with food and drink options. Big news for this area!

KFC- their signs up off exit 2 by the Terrible's gas station. No timeframe or info other yet but should see something soon.

CTE high school- huge news for the school on the South Block. Dirt has begun moving for a new type of high school here. It will be a Career and Technical focused high school that will offer 7-8 programs for students. It is projected to open in the fall of 2023. ROAD PROJECTS

Exit 16 expansion: UDOT is added lanes and expanded the bridges at Exit 16 interchange. It is now complete!

River Rd. Bridge- On Monday Jan. 4 construction will begin on the section between Riverside Dr. and 1450 S. (Popeyes and Maverik corner) that is going to help traffic flow a lot. Expected to finish late spring/early summer.

SR-7 completion- the project is currently in the design and right-of-way phase, and on schedule to start construction in the summer of 2019 and finish by November 2020. It's an 8-mile portion that will complete the connection between I-15 (in southern STG) and SR-9 (in hurricane). Click on this link for more info and a map of where it will be. https://www.udot.utah.gov/projectpages/f?p=250:2007:0::NO:2007:P2007_EPM_PROJ_XREF_NO,P2007_PROJECT_TYPE_IND_FLAG:9046,A

Northern Corridor- A road going from exit 13 in Washington to the backside of Red Hills Parkway has been proposed. The county commissioner is currently working on the new HCP permit with the U.S. Fish and Wildlife Service and there are incentives to finish the road before 2025. It will definitely something to be on the look out for, as this will be a big time addition.

Exit 11 in Washington: things are getting closer on this new exit happening on Main St. in Washington. No timing for it yet but should be on its way.

New stoplight- going in located on Sunset Blvd. in front of Seven Hills community near Sand Hollow Aquatics Center.

New stoplight- located at 200 E. and 700 S. in front of the Dixie High School sports fields.

DIXIE STATE UNIVERSITY

Division 1 status: Dixie State is officially D1!!! Division 1 means they are now part of the highest rank in the NCAAs for sports. All sports except football will join the WAC conference, and football will be independent in the FSC D1 ranks starting in 2020. This is huge for the growth of the college and I'm excited for the future.

Innovation Plaza- SO many amazing things happening at DSU in Innovation, Business, Technology, and Science. They have acquired the East Elementary campus and turned it into an Innovation Plaza that will feature many significant resources that will help not only students, but people in the community as well. The first phase has been completed and is now the largest public "makerspace" in Southern Utah. It is a place where students and community members can take business and product ideas from concept to reality and there have already been 80 patents and a number of small businesses created because of it.

Human Performance Center- Now open! It's hard to miss but if you haven't seen it, drive down 700 E. (University Ave) and you won't miss it. It features an Olympic size swimming pool, 2 fitness areas, 3 indoor basketball courts, a climbing wall, multi-purpose rooms, a track, along with 2 outdoor basketball courts, 4 pick ball courts, and an outdoor track on the rooftop. Science, Engineering and Technology building- the newest building going up at DSU just had their ground breaking ceremony last month! The new SET building will be 5 stories and over 120,000 square ft. It'll feature 26 laboratories, 3 levels of outdoor patios, classrooms and an astronomy deck. Their plan is to be open for the fall 2021 semester and will be HUGE for students moving forward. Greater Zion Stadium- big news was just announced that DSU and Washington County have partnered on the football stadium and it will be renamed Greater Zion Stadium. The Greater Zion Convention & Tourism Office has been huge for Southern Utah and I am excited to see this come to life. Phase 3 of the renovation is coming soon for the stadium. It will include renovations to the home grandstands with new men's and women's home team locker rooms, a state of the art training room, a new box office and new public restrooms., and a new stadium high-rise. The high-rise will include an entry plaza, corporate level seating and a press box. Stairwells and elevators will be located on each side to

get up to the suites, where there will be club type seating with approximately eight to 10 suites and the press box. There will also be a banquet room with space for about 200 people.
